Records you request include a list of taxpayers. Under the Public Records Act in RCW 82.32.330(3)(k), Washington State law prohibits agencies from providing "lists of taxpayers when requested for commercial purposes." Commercial purposes are defined as business activities by any form of business enterprise intended to generate revenue or financial benefit.

In order to respond to your request, the Department of Revenue requires that you provide the following information (required under RCW 42.56.080). Fill in **Purpose of Request** here:

List of taxpayers was requested for the purpose of conducting an audit of our sales tax revenues.

By signing below, I certify that any list of taxpayers I have requested will not be used for any commercial purposes in violation of RCW 82.32.330(3)(k), including any of the following specifically prohibited activities:

- Use or forward for use by any other party for commercial purposes.
- Sell or give access to the list to any other party in return for financial gain
- Use the list to generate revenue or financial benefit or to solicit money or financial support from identified individuals
- Use the list to make individuals aware of commercial entities in their area.

I understand if I do not complete and return this form, my request will be denied. **Note:** The Department of Revenue may require additional information to evaluate whether this request is made for a prohibited commercial purpose. Signature must be verified by notary.

I certify under penalty of perjury under the laws of the State of Washington that the foregoing is true and correct.
