Mayor's Message

Spring is here. Our roads fared fairly well through this very trying winter and the City is preparing for the summer. First on our list is our spring yard waste pickup, scheduled for the third week in April. Take a look at our web site at <http://www.cpwa.us/index.aspx?nid=214> to see the day of the week and the rules for the City to pick up the beginnings of your spring cleaning.

We have openings for two very important City Commissions: Civil Service and Planning. Our Civil Service Commissioners provide guidance and oversight for the hiring of our Police Officers. The Planning Commission performs a variety of oversight on how the City grows and changes and is especially important this year as we enter into an 18 month process of updating our 10-year Comprehensive Plan. If you're interested in helping the City, take a look at the web site at <http://www.cpwa.us> for more details.

Keep your eyes open, as part of our long-term planning processes we've been working with College Place High School to re-design our current City logo. The enthusiasm of the students has been wonderful. We'll be asking you to vote on a number of proposed logos prior to taking them to the City Council for their consideration.

Intra-venous solutions, injectables, syringes, chemotherapy medications, or medical waste **WILL NOT** be accepted due to potential hazard posed by blood-borne pathogens.

Do you happen to be holding on to several years' worth of old bank statements? Mortgage statements? Bring those in and we will see to it they get shredded. You don't even have to get out of your car! Just drive up and we'll collect your medications and/or shred materials.
